Hanna Johnsson

Reading Ability Report

Assessment date: 2026-06-22 09:23

Year group: 2

The results show that Hanna's reading ability is at the expected level for their age group. By reading more, there are good opportunities for them to improve their reading skill to be above average.

Hanna is placed at **percentile 26**, which reflects an average level of reading ability for their year group.

Hanna's average reading speed was 85 words per minute, indicating that decoding - the ability to recognize and read the words in the text - is functioning well and facilitates fluent reading.

In terms of reading comprehension, Hanna answered 4 out of 8 questions correctly.

How does Hanna approach a text?

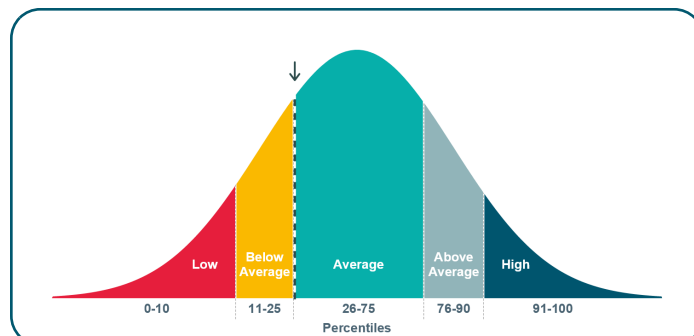

Below are visualisations of Hanna's eye movements during reading. Circles mark where the eyes paused to process text, and lines trace the movements across the page. This pattern offers insights into flow, focus, and reading strategies for comprehension.

Joe has a goldfish. It swims around and around in a fish bowl all day long. Joe thinks the fish must be bored but Mum says it isn't. She says goldfish forget things after three seconds. Joe doesn't believe that.

Jake has a friend named John. They play together at school every day. John's family goes away over the summer holidays. It is not fun. Jake is happy when school starts again. That's when John will be home.

The graph above shows how Hanna's reading ability compares to thousands of peers in the same year group. Lexplore uses AI and research-based methods to assess reading from eye movements.

How can you support at home?

- 🕒 Set aside time for daily reading - both aloud and silently.
- 💬 Talk about what was read: What was it about? What stood out?
- 🗣️ Let them share their thoughts and ask questions - it helps strengthen their understanding.

What's next?

- 📅 We recommend a follow-up screening to confirm that Hanna's reading is progressing as expected.
- 🕒 Encourage regular reading and conversations about what they read. That helps support both fluency and comprehension.

Summary

Assessment date: 2026-06-22 09:23

Year group: 2

Reading ability

- Overall result: Average
- Percentile 26/100
